	School Initiative
Key Result Area connection (background)	• Higher retention rate into Year 11 • Improve outcomes for students at risk of leaving education in Year 9 & 10 • Improve relationship between school curriculum and the work force opportunities available
Initiative outline	• Leadership Program – This program spans Yr 10 & 11and creates leadership awareness across these year groups • Boys Mentoring Program – This was introduced in 2007 and will expand in 2008 • Seminar Program – This started a few years ago but we wish to strengthen this further with more links to local businesses
Who supports and organises implementation?	• Springwood Chamber of Commerce • Local employment organisations • Careers Adviser • Senior executive • Boys Education & Leadership Group Coordinators
Highlight student and/or school outcomes	• Improve retention rates • Improve career aspirations & knowledge • Greater engagement in overall learning • Gain additional employers for work placement / experience
2008 Enhancements	• Further develop the above strategies with additional staff support. This will be very important whilst regular career adviser is on secondment to UWS
2008 Financial allocation being applied for (budget)	• $1500 for 10 relief days. The school will pay the difference
